You are planning to buy a house. Which of these factors are you going to take into account? Order them according to importance:

| | |
|---|-----------------------------------|
| price | how close it is to your workplace |
| location | public transport nearby |
| neighbourhood | a big garden/backyard |
| size | the number of bedrooms |
| views from the windows | the number of bathrooms |
| how close it is to the shops | a garage |
| how close it is to your kids' school/kindergarten | when it was built |

Would you add any other factors to this list?
